Care Instructions

Dab func. with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water).

To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Additional Comments

To see how vivid the colors truly are, it's easy to request a sample through the "Request information" button on this page, or you can ask for one from your local sales guru.
