Description

Double sided ideation or a game of lunchtime Battleship.

The Cooee Mini Presentation Wall was born when we had multiple people ideating but we didn't have much space. Coming with one Large Whiteboard on each side and two Hooks, two people can use the erasable, magnetic surfaces at the same time.

Despite its size, it has the same lightweight internal frame, solid steel base and lockable casters as the other mobile walls, so it's still strong, stable, and maneuverable. It also uses the same sound absorbing PET and a noise blocking membrane to achieve superior noise reduction.

It's perfect for idea generators who have a little less space.

func., Cooee Walls are easily cleaned with bleach and water.
