## Care Instructions

Dab func. with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water).

To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

---

## Additional Comments

To see how vivid the colors truly are, it's easy to request a sample through the "Request information" button on this page, or you can ask for one from your local sales guru.
