Description

Introducing the productivity cards, a.k.a. the Busy Cards – your ultimate productivity sidekick. Rock the traffic light vibes and signal your availability: green if you're up for a chat or red for deep focus. Quick visual cues that say, "Don't disturb me, I'm on a roll!"

Harness the power of red and green. When you use the red card, it's like raising the "Do Not Disturb" flag. No interruptions allowed, I'm in my zone! But when it's green, it's an open invitation for your squad to swing by and have a chat. Get ready for some epic brainstorming sessions and spontaneous bursts of creativity.

Hoteling just got cooler; add your name in style or leave little notes, reminders, or hilarious doodles with the whiteboard productivity card.

Embrace uninterrupted focus and seamless communication.
