Ready to carve out your own slice of peace and quiet? Transform tables into private workspaces with Inala Benching Screen. Available in various sizes and finishes.

- Acoustic
- Absorbs Noise
- Bleach Cleanable
- Easy Clean
- Easy Install

Description

Create your own place of peace and quiet with the Inala Benching Screen. Designed to transform existing tables and benches into private, focused workspaces, the Inala Benching Screen brings tranquility and efficiency to any office environment.

Transform any table or bench into a sleek, private workspace where you can actually get stuff done.

Say goodbye to chaos and hello to calm with the Inala Benching Screen. This modern marvel comes in 9 widths and 2 heights, so it's got your back no matter what size your table is. Made from high quality 1/2" PET, it's sturdy enough to handle whatever you throw its way—and it looks good doing it. Choose from one of our 64 func.y finishes to make it uniquely yours.

Choose from one of our 12 powder coat finishes for the spigot base, which can be screwed in for a rock-solid setup or just placed on top if you're commitment-phobic. Feeling fancy? Opt for one of our premium finishes to add a dash of sophistication.

Perfect for open offices, educational institutions, or study areas, the Inala Benching Screen ensures everyone gets their own quiet zone—a little piece of zen in the hustle and bustle of office life. Easy to install and maintain, it's designed for maximum convenience and longevity.

With the Inala Benching Screen, work smarter, not harder, and look good while doing it. Plus, enjoy peace of mind with our quality assurance and warranty.

Assembly & Delivery Flat pack delivery, minimal assembly required.

See installation instructions for detail.

Suggested Installation Go to Technical Documents and download the Installation Guide for more details.

How to Specify

1. Select Size
2. Select PET Color
3. Select Powder Coat Finish for Spigot Base

Care Instructions Dab func. with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water).

To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Additional Comments To see how vivid the colors truly are, it's easy to request a sample through the "Request information" button on this page, or you can ask for one from your local sales guru

Inclusions Hardware to suit size selected
